## **Mission Statement**

The **Boca Black Film Festival** is in its second as the premier creative arts and educational film fest that specifically celebrates and champions independent film works created, designed and inspired by persons of black heritage. As one of Florida's and the tri-county area's only film festivals dedicated to the art and craft of filmmaking for black content makers, the **Boca Black Film Festival** organization strives for authenticity and originality in promoting and screening film works. The Festival provides balance in creative arts development, training sessions, networking, mentorship and endeavors that promote well-balanced, diverse images of color in film, television and other media venues. The **Boca Black Film Festival** celebrates the imaginative, organically grown, perspective that is uniquely black American.
